2.2 Pre-entry

Children can attend one session of Pre-entry for the term before they turn 4. Parents are encouraged to stay with their child until they are confident to stay on their own.

The aim of the Pre-Entry program is to settle children into the routines of Kindy. For children this means learning new names and making new friends as well as learning the rules and routines in the centre. One of the main aims of our Kindy program is to encourage children to play co-operatively with others as this helps them to establish friendships. Satisfying relationships with other children are essential for children’s social and emotional welfare. This well-being influences all other areas of their development.

Staff invite you to talk to them at any time about your child’s development and to share any information that you feel is important for us to know about your child or the family. In the fifth week of each term an information session is held for families to learn more about how the centre operates.

**Session Times:**
Monday or Wednesday 9.30am to 11.30am (Depending on numbers)
